“Strut Your Stuff”

The Wearable Art Fashion Show at the Artists' Reception

Sunday October 25, 2026 at 2:00 pm

Heyde Center for the Arts

3 South High Street

Chippewa Falls, WI 54729

Hosted by the Valley Fiber Artists

This is an invitation to all fiber fashion creators. Do you have a jacket that jams? A dress that dazzles? Handsome, hysterical hats? Let us celebrate all things stitched, sewn, woven, felted, crocheted, hooked, knitted, knotted, braided, and otherwise fabulously fibre-cated!

“Strut Your Stuff” promises to be an incredibly fun and informal way to have your creation seen on stage and hailed by fiber enthusiasts. Share your family-friendly, wearable vision on a live stage with photo ops. What's accepted: clothing or accessories that are upcycled, handmade, made with embellished commercial patterns, or your own original design.

Artwear for ***“Strut Your Stuff”*** is not required to be part of the “Celebrating Fiber Arts” inaugural show. You can share up to three wearable pieces/ensembles. There is no fee required. You are invited to walk the stage yourself or provide a model for your entry(s).

To participate, please confirm your interest by emailing the following info by September 11 to:
